Forecast for Thursday 10 Aug 2023

Weather: A dry day with variable amounts of cloud and sunny intervals. Any overnight low cloud should lift and break through the morning although some patchy cloud may linger across Kintyre, Arran and Jura into the afternoon. Chance of a few showers in the evening.

Chance of cloud-free hill tops above 800m: 70%, best chance in the afternoon away from the southwest

Low Cloud and visibility: Poor in areas of low cloud down to 400 to 700 metres, this lifting and breaking to patches at 850 metres or above with good visibility by the afternoon but some lower cloud lingering around southwestern coasts.
